

Pre-Conference Church Service 2019

Liverpool Anglican Cathedral is the venue for the very first NEU Pre-Conference Church Service, on Palm Sunday 14th April. The service will start at 6pm in the Cathedral Lady Chapel, and will last about one hour.

The event provides an opportunity for Conference delegates and others to reflect on the needs of the world of Education and to pray specifically for the work of Conference.

The NEU Pre-Conference Service is open to any who would like to attend, whether or not members of NEU. This includes those of all faiths, or of none.

Representatives of NEU will be playing a part in leading the service, including at the organ. Liverpool Cathedral was described by John Betjeman as "one of the great buildings of the world". Giles Gilbert Scott was 22 when he won the design competition in 1903 and the Lady Chapel was dedicated in 1910.

Entry to the cathedral is free and delegates are welcome to arrive earlier to explore this intriguing building.
